

GFWC CALIFORNIA FEDERATION OF WOMEN'S CLUBS AREA REALIGNMENT PROPOSAL

The process of addressing the non-compliance of the CFWC Bylaw:

ARTICLE IX, AREAS AND DISTRICTS

Section 9.1. Areas.

Is going to be addressed at the 2018 September Meeting of the CFWC Executive Board.

Since the discovery of the issue in July of 2016, many differing opinions have come forth for presentation, including a Bylaw Review by the 2016 – 2018 CFWC Bylaw Committee. In February of 2018 the following Motion was made:

Move to establish a study group comprised of the incoming and outgoing Presidents, 1st Vice Presidents, 2nd Vice Presidents, and the incoming membership team to propose an equitable solution to comply with the intent of Bylaw IX.1 Areas. A. which states, "For the purpose of electing Federation representatives to certain committees and assuring equality of representation in CFWC, the membership shall be divided into 1. approximately equal members groups to be known as Area, A, B, C, and D" to be presented by the Fall Board meeting, 2018.

After the Realignment Committee met at the 2018 CFWC Summer Board Meeting held in July, 3 proposals were declared as viable solutions to this problem.

This packet will address those 3 Solutions in depth, so that club and district Memberships may have a chance to speak to those members that represent them at the Executive Board level.

The Vote on Area Realignment will take place between September 21 - 22, 2018. This will be a Ballot Vote and there will be time for discussion at the Presentation. Discussion should be concise and pro con. No new Motions will be heard.

Just an FYI from Dori Kelsey, President of CFWC: *"I just wanted to make sure that you all remember that the Oakland meeting is the one Board meeting each year that we invite the District membership chairman or Vice Presidents from each district. But remember that these ladies, (membership), are not members of the CFWC Executive Board and cannot vote on the AREA Realignment. Also remember that Committee Chairmen may vote but not Committee members. District Presidents & Deans or First Vice Presidents are members of the Board and have a vote. For more information about who can and can't vote contact Priscilla Bolinder, Parliamentarian (pjb43cfwc@gmail.com)"*

I want to thank all of you that called and wrote with your concerns for the past 3 years. Without the input of our many members, this project would have been even more daunting, but your support and ideas have been most welcomed.

I would also like to thank the 2 Committees that have worked on the Area Realignment, the Committee of 2016 – 2018, that worked for 2 full years, and the new Committee of the first 4 months of the 2018 Administration, that has helped put this publication together.

*Pam Ament,
GFWC California Federation of Women's Clubs
1st Vice President/Dean
Area Realignment Committee Chair*

ADDITIONAL NOTES AND INFORMATION

Re: Area Realignment

- ✚ The CFWC Area Realignment Committee would like to remind you that should you like to make a Bylaw Recommendation to change the current Bylaw, you may do so by submitting your Bylaw proposal to the CFWC Parliamentarian and the Bylaws Committee for review. Bylaw proposals are due to Priscilla Bolinder by January 15, 2019.
- ✚ A friendly reminder: if there is no new Bylaw proposal at the 2019 CFWC Convention addressing the alignment of CFWC Areas, there must still be a new or amended Bylaw that details, in writing, how often Area Realignment occurs.
- ✚ The process of proposed Area Realignment has been ongoing for 2 1/2 years. The results listed on the pages preceding this page are the efforts of many hours of work by the Area Realignment Committee(s).
- ✚ While we understand that the Options given may not be optimal to all of those involved, the matter of Area Realignment must end. Voting will take place at the CFWC Fall State Executive Board in 2018, the Area Realignment will take effect on November 1, 2018.
- ✚ This vote will affect the nominations during the Area Meetings at the 2019 CFWC Convention for both the Nominating Committee and the Election Committee. Since there will be new Area's, there will be new Area Memberships. The Area Meetings will be held on the Thursday afternoon of the 2019 CFWC Convention as per usual.
- ✚ Report Writing, for the most part, will go unaffected by the Area Realignment. Should the Option #1 Club Realignment be chosen, the CFWC President, CFWC 1st Vice President, CFWC 2nd Vice President will work together on how to award the Membership Chimes.

We thank you once again for your patience and look forward to ending this soon with the help of each of our 10,809 Members in CFWC. Please make sure your clubs and districts are notified of all Options, go over each one and how they may or may not affect your Memberships. Remember to make your voice heard by voting, if eligible, at the upcoming meeting. No proxy votes will be allowed.
