### JACQUELINE MARAZZI, PRP

The presenter has been a parliamentarian since 1984 and a professional Parliamentarian since 1999. She is president of the California Escondido Unit of parliamentarians, a member of the State association of Parliamentarians and National Association of Parliamentarians.

She is a past president of the California Association of Parliamentarians and past District 8 Director. She works with non-profit organizations nationwide. She is also a bylaws consultant and a trainer for board members and officers. Her experience allows her to be well versed in meeting procedure and be of assistance to many organizations.

### MAKING THE GRADE

My high-school English teacher was well known for being a fair, but hard, grader. One day I received a B minus on a theme paper. In hopes of bettering my grade and in the spirit of the valentine season, I sent her an extravagant heart-shaped box of chocolates with the pre-printed inscription: "BE MINE." The following day, I received in return a valentine from the teacher. It read: "Thank you, but it's still BE MINE-US."

### DUES REMINDER

Our annual dues of \$15.00 are due beginning in February. They must be paid by April 1. Our data blanks are due at the April 24 convention. Be sure to pay at the meeting or send a check to Sylvia Buesch, Membership Chairman.

## PRESIDENT'S MESSAGE:

Welcome to 2019! I hope everyone had a Happy Holiday season and will have a healthy New Year.

We had a small, but exuberant group at our December meeting. Just enjoying the day and season with friends was more than enough for the day. The highlight was of course, the gift exchange. As you will see in the minutes, we received three pieces of correspondence that were shared – a Holiday wish from CFWC President, Dori Kelsey, a thank you note from “Girls Love Mail” thanking us for our well-wishing notes to new breast cancer patients, and a thank you note from member Dolores Juditz for letting her speak at the meeting about the Burn Institute and a check for \$100 to support the club .

I hope some of you will be able to attend the CFWC Board Meeting, February 8-10 right here in our own backyard. Lots of Palomar District events the next couple of months. February 26 is the ever-popular Art Festival in Poway. March 26 brings a Palomar Executive Board meeting in Bonsall. April 24 is the Palomar District Convention in Escondido at Cocina del Charro (yes, we are half way through the term). May 15-18 is the CFWC

Convention in Sacramento. I am giving you these dates as our next STARS meeting isn't until May 21, again at Marie's (but more on this later). I know some of you will be attending several of these meetings. The more information the better.

Our speaker this month may be familiar to many of you. She is Jacqueline Marazi who will speak on Parliamentary procedures. Any questions you have that you would like to discuss, please let Rita know so Jacqueline will be ready. Also, please let Rita know (rrchr@att.net) (760-745-3102) if you will be attending the February 19 meeting so she will know what room at Marie's to request.

We are always looking for new members, so please invite any current and past Presidents. Sylvia will be collecting dues (\$15) DUE February 1 as the Data Blank will be due before our next meeting in May.

Also remember your Opportunity Drawing gift if you want to participate. This is our only way of fundraising. Looking forward so seeing you all February 19. Please support the club with your attendance.

## CHECK-OUT ROMANCE

I met my husband while I was working in a science library. He came in every week to read the latest journals and eventually decided to take out the librarian instead of the books. After a year and a half of dating, he showed up at the library and started rummaging through my desk. I asked what he was looking for, but he didn't answer. Finally, he unearthed one of the rubber stamps I used to identify reference books. “Since I couldn't find the right engagement ring,” he said, “this will have to do,” and he firmly stamped my hand. Across my knuckles, in capital letters, it read “NOT FOR CIRCULATION.”

## ST. PATRICK'S DAY FUN (Answers at the meeting)

Why don't you iron 4-Leaf clovers?

What's Irish and stays out all night?

How is a best friend like a 4-leaf clover?

How can you tell if an Irishman is having a good time?

Are people jealous of the Irish?

What does it mean when you find a horseshoe?

Why is a river rich?

What does a leprechaun call a happy man wearing green?

Why did St. Patrick drive all the snakes out of Ireland?

(Thanks Myrna! The input was all yours. Joye, Editor)
