PRESIDENT'S MESSAGE

Happy New Year, Palomar Ladies!

As we start a new year, I have a few thoughts to share with you.

"Goal setting is essentially beginning with the end in mind. And planning is devising a way to get to that end. A key to happiness lies in understanding what destinations truly matter - and then spending our time, effort, and attention on the things that constitute a sure way to arrive there." M. Russell Ballard

"A goal without a plan is just a wish." Antoine de Saint-Exupéry

"A goal properly set is halfway reached" "You should set goals beyond your reach so you always have something to live for" "Success is the progressive realization of a worthy goal or ideal" and "A goal is a dream with a deadline." Al's compilation

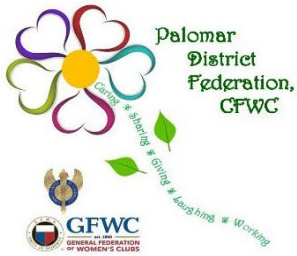

While this past year has presented challenges, I regret not being as present and responsive as you deserved. Looking ahead, I'm committed to strengthening our connection through club visits, Zoom meetings, and regular newsletters. I want to hear from you - please don't hesitate to reach out, and I promise to be more prompt in my responses.

I invite you all to join us for our Board of Directors Meeting on Tuesday, January 28, at 10:00 a.m. at the Fallbrook Woman's Clubhouse. You'll find the detailed agenda on pages 2 and 3.

Best Thoughts,

Sherry Lutes

Happy New Year Everyone!

When you think of the new year, there are words that are used. New, Beginning, Diet.... Hahahaha, I digressed. However, this year I have my word picked out; do you? Do you create a vision board? As women that are working hard to give back, I feel it is important to make one every year and then touch base through the year as I learn and grow. What is a vision board? A vision board is a collection of images, words, and quotes that represent your goals and dreams and are used to inspire and motivate you to achieve them. The idea is to create a visual representation of your goals so you can see them every day and prioritize your actions accordingly.

Let's do this. Take the time this week in your journal, the back of a receipt or on a canvas to create a vision of what you would like to accomplish this year. Here is mine. My goals have many different factions, such as:

- ◆ Music - Singing out loud for all to hear.
- ◆ Laughter - There have been too many years where I didn't laugh.
- ◆ Create - Photography is my love; I need to get back out doing it for me.
- ◆ Travel - Traveling with my mom and my son.
- ◆ Growth - Learn to grow more, I have a list of mentors I am meeting with to push me out of my comfort zone.
- ◆ Friendship - Making time for friends, being present and quiet in that friendship.
- ◆ Prayer - Where it all begins and ends every day.
- ◆ Being Brave.

I hope this has inspired you to try. If you would like to have a get-together over Vision Boards, call me at (760) 716-5315. We can support each other through this year as we learn to laugh, create, pray, and grow. Here we go everyone! I look forward to seeing you at the January meeting. We have so much fun planned. It is going to be an incredible year.

February is **Heart Month**. Let's look at ideas for what clubs can do in the month of February:

- This is your opportunity to bring in a heart specialist to talk to your club.
- You can go to www.Charitymiles.org and begin to walk for your favorite charity.
- Bring in a CPR teacher and make sure you are certified in this life saving procedure.
- Have a cooking class that shows healthy eating, and then have a cooking class once a month for the next year, inviting everyone in your community to attend.

Communications and Public Relations— Rosalia Zamora, Chairman

Club newsletters are one of the most efficient methods of informing GFWC members about projects, programs, events, partnerships, and issues.

- Appoint a newsletter chairman for your club and/or State Federation.
- Identify a layout and format that works best for your membership and budget. Remember to ask your members what **THEY** want!
- Include information distributed from all levels of GFWC leadership.
- Always provide club contact information.

GFWC: Have you signed up for the **Legislative Action Center (LAC)** yet? The LAC platform has been changed to "VOTER VOICE." Please go to <https://www.voterveice.net/GFWC/home> and enter your contact information. Signup now to get the latest legislative information from GFWC.

GFWC's weekly e-newsletter keeps clubwomen and friends up-to-date on all the latest GFWC programs, projects, and issues. To receive **News & Notes**, sign up through the Member Portal.

Domestic and Sexual Violence Awareness and Prevention—Bev York, Chairman

You may ask, “What is the Alabaster Jar Project, anyway, and why should they get our help?” It was founded in 2013 in Rancho Bernardo to “restore, rehabilitate and empower” survivors of human trafficking and sexual exploitation. It became a 501(c)(3) non-profit in 2014 and has evolved in 10 short years to an awesome success, offering three principal programs today: **Grace House**, a two-year free residence for up to 5 survivors fighting their way to normal lives; it is the only long-term housing specifically for trafficking survivors in North San Diego County at this time. The **Resource Center** provides tangible support by offering our donated items free of charge to the women in the program; **Survivor-Led Peer Support groups** – approximately 70 women on the staff now are graduates of AJP’s programs, the ideal role models to help survivors turn their lives around.

To support the Alabaster Jar Project, we again ask for your generous donations of gently used clothing (large and extra-large sizes are especially welcome); shoes; gift cards, personal care items ranging from toothbrushes to soaps to hair spray to razors to deodorants, and everything in between; feminine hygiene products; new underwear; everything personal that you use, these ladies do, too. They also need simple things --notepads and pens, calendars, tote bags and purses, gift cards, pocket calculators – the list is endless. By special arrangement, we’ll deliver your donations to the AJP Resource Center in Escondido, and I can guarantee: everything you donate will be used — and appreciated! **Here are a few bits of information from Susan Johnson, Executive Director and Co-Founder:**

On Tuesday, January 28th - Churches Against Trafficking Prayer Meeting will be held from 6:30 p.m. to 8 p.m. Attend and represent Alabaster Jar Project at this prayer gathering hosted at Coastline Church in Carlsbad. Pray over the anti-trafficking movement in San Diego, survivors and service providers. RSVP here: <https://docs.google.com/forms/d/e/1FAIpQLSfcVoisrSf-RQAIXzf9L1YtTFb9xvRI2dlhrd5EUnCwJUzU6Q/viewform?pli=1&pli=1>

Support Group Meals - We have openings on our volunteer calendar for meals for our support group. This is a great way to engage a small group of friends or family to impact the lives of survivors by providing a meal. Here is the link to select a date and sign up: https://alabasterjarproject.galaxydigital.com/need/detail/?need_id=759742

What?! You are super busy and can't sign up to attend any of those opportunities?? Well, you're in luck! We have other ways you can support and engage in Human Trafficking Awareness!! Here are some ideas:

Share & promote on social media! Share our social media pages on Facebook and/or Instagram. <https://www.facebook.com/AlabasterJarProject/> or <https://www.instagram.com/alabasterjarproject/>

Wear and show off your Alabaster Jar Project merchandise - Purchase and wear and show off Alabaster Jar Project merchandise! Click here to view our merchandise store: <https://www.bonfire.com/store/alabaster-jar-project-store/>

Fundraise for Alabaster Jar Project - You can start a fundraising campaign for us on Facebook and Instagram.

Sell Alabaster Jar Project merchandise - You can also sell our merchandise to fundraise for us! Check it out on Bonfire. <https://www.bonfire.com/org/alabaster-jar-project-463504411/>

Whew!! That was a LOT of information!! We are so grateful for your support!

I look forward to hopefully seeing you at some of the events this month. Thank you for all you are doing to empower and impact the lives of survivors. Together we make an amazing difference in their lives!

President Sherry's Magic Yarn Project

Have you heard about the Magic Yarn Project? At her installation and at summer Board meetings, our District President shared the projects for her term. All clubs were invited to participate and support three projects: the Magic Yarn Project, Wreaths Across America, and paperbacks for Veterans.

At our September Board meeting, our President introduced the project that was new to all of us! The Magic Yarn Project is a non-profit that provides "Homespun wigs for little cancer fighters." The District's Programs chair gave a brief history of how the project started and showed a video of a TV interview with the founder. This project entails the creation of "whimsical, giggle-inducing character wigs and beanies that invite children into the world of imagination and play during difficult times." Wigs and beanies

are crocheted by willing volunteers.

A dozen members and friends from various District clubs met at the end of October to contribute to the yarn-wrapping portion of the project. The yarn is provided from donations, in the particular hair colors for Elsa, Ariel, Moana, Rapunzel, Wonder Woman, and even Captain Jack Sparrow, which is a favorite choice. And all we had to do was unwind the skein of yarn into a particular length on a yarn wrapping board with dowels - just the right length to make an Elsa braid or a wig for another character! Then the wraps are tied, cut, and saved, ready to use.

In May, the next session for the project will be an opportunity to crochet these lengths and tie them into pre-made beanies to make soft, comfortable, and fun wigs for kids with medical hair loss. A wonderful feature of this project is that the completed wig/beanies are always free for the families - and they have been sent out to kids all over the world upon request. The Magic Yarn Project gifts over 500 wigs every month to children with cancer and other medical hair loss all over the world. They rely completely on small donors to fund their shipping and materials. The organization accepts donations of money, beanies, and yarn (with restrictions), and relies on volunteers to construct the wigs as ordered. We look forward to helping complete these fun wigs for the kids - and bring smiles to these young faces in their difficult times.

CFWC Environment: Sunflowers and Sustainability

As California Chairman for Environment, I am encouraging sharing about Sustainability - asking members from across the state to share about their Sustainability habits. Club members are sharing their actions that support the Earth. Members from across the state have shared their habits, and they are being published weekly in the California Federation's QuickBytes newsletter, sent out by email.

Do you receive QuickBytes on Mondays? I find that the messages from our Madam President and state Chairs are inspiring and give an extra boost to the start of the week. Sign-up information is at the end of this newsletter.

Continued on page 8

Continued from page 7

When the members wrote out their habits and gave them to me at a meeting, they received a packet of sunflower seeds. Now, they will plant those seeds in the spring to brighten up their community.

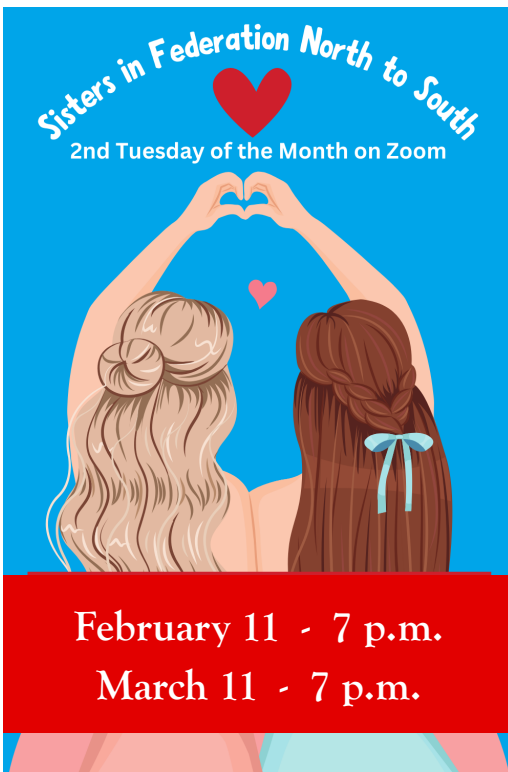

What are your habits that help support our Earth? Do you recycle or bicycle instead of driving? Do you tend gardens and teach kids good habits to help nature? Do you carpool to meetings or volunteer to transport other club members? Do you take short showers and wash full loads of clothes? Every day we can pay attention to our habits that help conserve our natural resources.

We can all promote awareness and suggest ways we can live a more sustainable life here on Earth. Email your sustainability habits to farmerjonesavbg@gmail.com or hand them to me at the January 28th meeting in Fallbrook. I look forward to reading and sharing your contributions!

Thank you for remembering good Conservation Habits!

Hot off the presses! This is the GFWC Environment Chair Sharon Oliphant's January to March newsletter - look for information about seed balls, National Parks, and even a recipe from Jennie June!

This Women's History Contest is for the clubs of Palomar District (Area D/CFWC/GFWC). Our motto is Unity in Diversity with women who made a difference starting as the Sorosis Club. The group met with 61 in attendance. At this meeting, members drafted a constitution and bylaws, which were ratified the next year with an approved constitution. Mrs. Phoebe A Hurst (California) was elected to serve as the first Treasurer of the General Federation, March 3, 1901. There are special historical happenings in our District. Now, we have the opportunity to record the outstanding work of our members. What are the club activities and who are the members that make them a success for our clubs and our communities? Which other community groups do your members work with? Who are the women that make the difference in your club? We want to celebrate your club and your members!
